

VENUES

ACPP offers you a choice of venues for your conferences, seating from 2 to 600 delegates depending on the seating arrangement and room selected. Standard equipment is available in each venue and includes a white board, screen, TV and video machine, note pads, pens, water and mints. Any additional specialized equipment, secretarial services, or conference arrangements can be arranged at additional cost.

Providing information at a conference is important. It is a fundamental fact that the choice of venue inspires and motivates the delegates. A conference at ACPP does just that.

- Conference Facilities catering from 2 to 600 delegates.
- We offer modern presentation equipment at an additional fee.
- Internet connectivity.
- Team building facilities arranged in house and other activities by arrangement.
- 24-hour security.
- Abundant open parking.
- Landing area for Helicopters.
- Private function venues that are ideal for hosting cocktail parties, awards dinners, company functions, year-end events and private dinners.
- Catering provided for all culinary requirements.
- ACPP now also offers wireless internet connectivity, complimentary in all of our conference rooms.

From a small intimate activity to a large event, ACPP will cater to your every need and budget. The conference rooms can be arranged in different configurations to accommodate from 2 to 600 delegates in a comfortable working environment.

Whatever your business, function or occasion, we will accommodate your individual requirements and create the perfect environment.

Call us for a personalized site inspection and explore the options available to create conference and corporate events to suite your specific needs.

All requirements must be confirmed in writing.

Varying in size to ensure that the space naturally accommodates your group - you're sure to find a venue at ACPP in which your event will feel at home and at ease, ready to connect and create.
